

FOES OF SALOONS PICK CHAMPIONS

LEAGUE FIGHTING LIQUOR IN-
DOISES CANDIDATES.

Urges Voters to Favor Chipfield,
Guy L. Bush and Senator
Cruikshank.

IGNORES THE OTHER FIGHTS

Springfield, Ill., Sept. 3.—The Illinois Anti-Saloon league made public its recommendations for legislative nominations.

Out in the state some of the Republicans who are under a heavy fire by the state administration Republicans are endorsed. Notable in the list is Representative B. M. Chipfield, of Canton, who was one of the triumvirate named by Governor Deneen in his Taylorville speech attacking the last legislature. Representative Guy L. Bush, of Downers Grove, in the Forty-first senatorial district, who is being flayed hard by the legislative voters' league as well as state administration followers, is also listed as endorsed.

In Cook county districts the anti-saloon forces also disagree with the legislative voters' league in certain districts. In the Nineteenth senatorial district the local optionists have endorsed Senator Cruikshank, who has been attacked by the legislative voters' league.

The legislative endorsements by senatorial districts are:

RED CROSS STAMP SALE CHRISTMAS

Arrangements for the sale of Red Cross Christmas Stamps for 1910 were announced in a bulletin issued today by the National Association for the Study and Prevention of Tuberculosis and the American Red Cross. "A million for Tuberculosis" will be the slogan of the 1910 campaign.

Two features of the sale this year are unique and will bring considerable capital to the tuberculosis fighters. The American National Red Cross is to issue the stamps as in former years, but this organization will work in close co-operation with the National Association for the Study and Prevention of Tuberculosis, which body will share in the proceeds of the sales. The charge to local associations for the use of the national stamps has been reduced also from 20 per cent to 12 1/2 per cent, which will mean at least \$50,000 more for tuberculosis work in all parts of the United States.

The stamps are to be designated as "Red Cross Stamps" this year and are to be placed on the back of letters instead of on the front.

The National Conference of Tuberculosis Secretaries through its president, Mr. John A. Kingsbury, of New York, has issued a letter calling upon all state and local anti-tuberculosis associations to unite

with the National Association for the Study and Prevention of Tuberculosis and the Red Cross Society in the sale of Christmas seals and the extermination of tuberculosis. Every effort will be made to discourage the use of local stamps and to encourage the distribution of the national stickers. It is expected that over 430 anti-tuberculosis associations and hundreds of Red Cross societies in every state of the Union will unite in the sale of Christmas seals.

MURRAY.

While sitting up in bed wide awake, Burford Brown, of the Harris Grove district, was robbed of \$285.45 Tuesday night by a sneaky thief who entered his room from the kitchen door and slipped his pocketbook from the pocket of his trousers which were lying across a chair at the head of his bed. The robbery occurred about 8 o'clock and Mr. Dowdy was summoned and with his bloodhounds was on the scene in less than two hours and soon struck a hot trail. The pocketbook was first found, all the money having been taken out except one penny. The dogs trailed around for about an hour and finally followed a trail down the road to the Tennessee line and to a house.

No arrests will be made, it is said, though both Mr. Brown and Mr.

Dowdy are said to be well satisfied with the chase and it is therefore supposed that the money was recovered.

The latest acquisition to the Mason & Ryan stable is the high priced stable fast trotting stallion, Algerian, purchased in northwestern Missouri, and is now at Mayfield in training for the races. Algerian was sired by The Bondsman, one of the most noted trotting horses in the world, his colts having won fame on both continents. Half sisters and brothers of this horse have won the Kentucky futurity races for the past several seasons.

The tent for the big revival has already been placed in position in the court house yard. The seats will be arranged and the tent wired by Saturday night. Everything points to a most auspicious beginning and at the first service next Sunday morning it is expected that a large congregation will be present.

CHILDREN'S ILLS IN SUMMER

The hardest period of a child's life is during the heated term. It is then that the little men and women become so subject to stomach and bowel troubles. With one it manifests itself in the form of obstinate constipation, with another the very reverse—diarrhea. One is as bad and as dangerous as the other. Constipation makes the child lose appetite and sleep, makes it languid and sickly-looking. Diarrhea weakens it and destroys appetite and energy. Piles, pimples, eruptions, itches, worms, etc., follow in the train until many a mother feels that her child is indeed very ill. But these are all troubles that can be easily cured. The child needs a few doses of a remedy like Dr. Caldwell's Syrup Pepsin, the grand laxative and tonic. Parents can make no possible mistake by giving it Syrup Pepsin, as the chances are in its favor of the child needing a laxative. It is sold in two sizes, 50 cents and \$1.00, and any druggist can supply you. It cannot be mentioned too strongly that parents should look closely after the welfare of the children during the hot months. If you would like to try it before buying send your address for a FREE SAMPLE BOTTLE to DR. W. B. CALDWELL, 400 Caldwell Bldg., Monticello, Ill.
